

50/11 MEGA

Enhanced Trusted Solution

50/11 MEGA is a robust heavy duty evolution of the original 50/11 model designed to handle larger and more demanding applications with ease. Building on the proven reliability of its predecessor, the 50/11 Mega incorporates modern advancements for enhanced durability, smoother operation and greater efficiency.

This updated version retains the trusted performance that made the original 50/11 a staple in the industry, while offering increased strength and adaptability for today's high-traffic environments.

2 hour fire rated entrances, with a reinforced design and upgraded components, the 50/11 Mega continues the legacy of excellence while meeting the demands of modern installations while maintaining a competitively positioned price.

Ideal for large clear openings.
