

UDD PREMIUM - Under Driven Doors

Ideal solution for prestigious and panoramic installations.

Fermator's Premium heavy duty operator & mechanism have been highly adapted to Under Driven high strength tracks, eliminating any visual mechanical workings yet still retaining smooth operation.

Can be supplied in a variety of finishes, however this luxury high end solution, lends itself to scenic lifts when aesthetics is paramount.

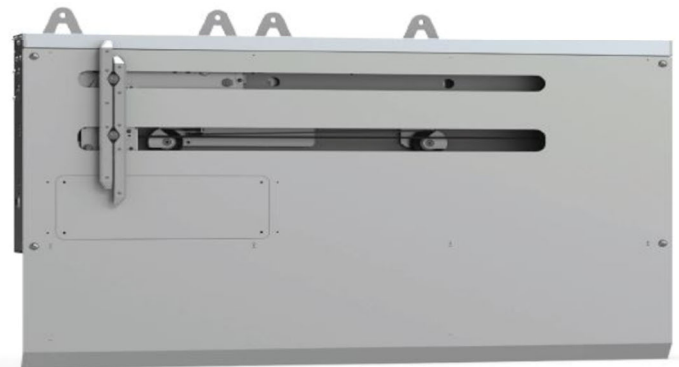

Fermator specialise in glass door production and doors can be supplied with spider fixings, directly fixed to the glass panels with stainless steel sills.

- Energy efficient VVVF & permanent magnet motor
- Available in 2 panel side or 2 panel centre parting configurations
- Large size rollers (67mm)
- 3 year Global Warranty
